

## Legit Fit (Management System)

At Martial Arts East our regular training packages and class bookings are managed through Legit Fit. Use the links on the training packages page to sign up/sign in, pay for classes and book in. Please use the name of the student (not parents name) when signing up.

### Multiple Family Members

Include multiple student names under first name if signing up. Training packs/memberships cannot be shared, please add a pack/membership per student. The club will contact you should this be added incorrectly.

Family Discount – When three or more family members train, 25% discount will be applied to the entire unlimited package. Please Note: This doesn't apply to the block booking option. Please email to discuss your pack and class bookings.

### Frequency of Payments

Please note when a block of 4 runs out you must pay and add another block of 4 each time, you can also opt for an auto-renewal. If you are an unlimited member payment renews automatically however each class must still be booked through the timetable section.

Please Note: Any class bookings, cancellations, or changes must be processed through your Legit Fit login, all training packages will be processed through this site. All other payments e.g. annual insurance/memberships, gradings, personal tuition will be dealt with away from this management system.
